"Grand" Finale

REGIONAL SYMPHONIC CONCERT

Music lovers were treated to something quite different as the concert season came to a close for the Regional Symphonic Band. Peter Lawrence, the featured soloist, gave a fascinating performance on the classical-Flamenco guitar. The intricate fingering of the instrument seemed to make it a duo. It was an example of a quiet mastery of an instrument. As a background for the beautiful voice of Mrs. Lawrence, Beda Polanca, it was excellent. She sang the songs of Spain and South America in a sampler of style and mood. Peter Lawrence was introduced as a Mattapoisett product. He and his wife will be remembered with great pleasure for their performance.

The Symphonic Band, under the direction of John Pandolfi, dedicated their performance to two members who passed away recently: William B. Nelson and Francisco Rapoza. The rendition of "The Rosary" was a striking tribute to these two performers who added much to the lustre of the group. In this performance the program built gradually to a crescendo.

The "Selections from Mr. Lucky" was a fitting climax to the concert. The music during this segment reached the audience

as much through the skin as the ears. It was a tough act to follow, but the encore of "Hello Dolly" was just the selection to do it. The band bowed out of the season in this great upbeat music from the musical that will shortly appear on the Old Rochester stage.

Other highlights of the program were the "3/4 Blues", a jazz waltz that featured some great percussion work; "Tri-Service March, stirringly done as was "Jubille March", the program opener. As a salute to St. Patrick's Day, "The Irish Washerwoman" was rendered. "Trittico" was a symphonic treat.

In the first performance on any stage, "March for a Band" was given a great maiden voyage by the musicians. Charles Herman, a Symphonic Band member, authored this selection.

The regret at the close of the series is lifted by the possibility of a Pop concert under the stars sometime this summer. John Atkinson mentioned this possibility as he narrated and introduced the numbers. Mr. Atkinson was treated to thunderous applause after John Pandolfi took the podium to thank him for his unique commentary all season.

Mosquito Study Report

NEWSLETTER FROM MATTAPOISETT
MOSQUITO CONTROL COMMITTEE

As a committee we have studied information provided by such diverse sources as major chemical companies, Plymouth County Mosquito Control, a variety of cities throughout the country and the methods they use, the biology and chemistry departments at SMU, etc. After investigating all the available methods of mosquito control we tried to choose what we felt was the best possible method for each section of town -- residential, salt marshes and swamp areas.

We will first try to make all Mattapoisett residents aware of breeding places on their own property. Mosquitoes will breed in any stagnant water, so all of us can eliminate the source by clearing blocked gutters; emptying water accumulated in tires, boats and toys after a rainstorm; emptying bird baths and small pools frequently; and by trenching any low spots that tend to keep standing water.

Our plan for the three sections of town is as follows: 1. Residential -- We will apply a larvacide to all the catch basins in

Do you like Capes but want something a little different, distinctive? This new home is creatively designed by a builder known for reputable workmanship. On the first level are two bedrooms (or one bedroom and a den), bath, living room with fireplace, dining room and a large kitchen. The full dormer can accommodate two or three more bedrooms and a bath.

Randy Smith

758-3875 or 992-0222

town. 2. Salt marshes - The county ditches these. We will check them periodically and note when they are clogged and need redoing. 3. Swamp areas - We will apply a larvacide to the prehatch areas. These will be routinely checked to see if there is a need to reapply in specific areas.

To carry out the above plan, there is a need for a mosquito control inspector. This person will work with the county for a couple of weeks to learn to recognize prehatch areas, map out these areas, and learn to apply a larvacide. Then he will work on his own applying the larvacide to the catch basins, and periodically and routinely checking the salt marshes and swamp areas. He will apply a larvacide in small amounts with a back spray if needed, or he would notify the county of larger areas to be treated and the places that need ditching. The inspector would also be available to apply the larvacide on private property where the owner has a particular trouble spot that he

couldn't cope with.

After studying all our information on pesticides and larvacides, we feel the safest one in use is Flit MLO. Flit MLO is a larvacide put out by the Humble Oil Company. Its way of killing is mechanical, i.e. suffocation, not poisoning. Flit has the lowest order of toxicity to humans, wildlife, and plants of any available insecticide or larvacide known to us. It was found to have no adverse effects even at concentrations well above the recommended application rates. Flit MLO is effective against all three aquatic stages of mosquitoes (ova, larvae, and pupae). Laboratory data shows that mosquitoes do not develop a resistance to Flit MLO. It has also shown its effectiveness by retarding the rate of development of the larvae, making them more susceptible to natural predators. Flit also kills the adult mosquito when emerging from the pupae, or landing on the water surface, or contacting the spray mist during application.

Following are the expenses of our proposed plan: Flit MLO-swamp area-applied by helicopter before foliage, $3,500.; Inspector-salary and transportation, $1,920.; Back spray for inspector, $75.; Flit MLO for use with back spray, $75.; Flit MLO for 500 catch basins, $650.; Additional Flit MLO, salary for teenagers if some hand ditching need be done (only if needed), $280.; Total, $6,500.

We feel that the above proposal is the best method for mosquito control because it concentrates on treating and eliminating the breeding spots. In previous years the town has appropriated $3,000 for aerial spraying of adult mosquitoes. This aerial spray, if done under ideal conditions, killed only 30-40% of the adults; whereas Flit MLO kills 97% of the larvae. With this plan we also feel that we will be using our county funds

to a greater advantage.

If anyone is interested in applying for the job of inspector, if the town approves the committee's proposal, please contact Patricia Baggarly at 2297. This inspector would have to be licensed by the state. This involves studying a booklet and taking a simple test on the handling of larvacides and pesticides. This job would involve a 3 or 4 day week from May thru August. The salary would not exceed the amount a retired person is entitled to earn without losing pension rights under social security.

Mrs. Putman Librarian

LIBRARIAN RETIRES

Mrs. Berthold Putman has accepted the position of Librarian for the Mattapoisett Town Library. She replaces Mrs. Armin E. Elsaesser who is retiring in May.

Patricia Putman was chief technician of the Clinical BioChemistry Department, Boston Children's Hospital before marrying Attorney Putman. They have three children, ages 7, 13 and 14. She is a graduate of Liverpool University and first visited the United States through an exchange scholarship to Children's Hospital.

The Library Trustees have commended Eliza Elsaesser for the increased use of the library by the younger people for school research projects, and for her efforts in expanding the use of the Interlibrary Loan Service. They are pleased that someone equally capable is taking over.

Do you know what happens if the check you wrote this morning beats this afternoon's deposit back to the bank?

Sometimes a few people wind up overdrawn. Much to their surprise. How did it happen they say? They made a deposit the same day they wrote the check and it was still returned unpaid. What did the bank do to them they ask?

Well, we're not going to cast the blame on anyone but just tell you how the checking-deposit system works. One important fact that people often forget is bank cut-off times. Two P.M. is the cut-off time in our case, and is posted in each and every one of our offices. But then, who reads all those signs? Anyway, the cut-off hour is established to allow time for all the checks and deposits of that day to be collected and processed.

This means a morning check will probably get paid while a 2:01 or later deposit will be processed on the next business day. Note the hour and date on your receipt, this will tell you if you made the cut-off time. As you can already tell, the check stands the chance of causing an overdraft if your checking account balance isn't sufficient to cover it. The deposit, made with the best of intentions, is the equivalent of one day late. And unlike horseshoes, being close doesn't count.

So, when you write a check in the morning and make an afternoon deposit, you're taking a chance. As a helpful hint, just remember this: always have a sufficient balance in your checking account to cover any and all checks you write that day. Or, check with your bank, they possibly have an overdraft loan privilege like our Maxicheck that insures you'll never be overdrawn again.

It's just this kind of problem we're trying to solve at Plymouth-Home by giving you a better understanding of banks and their procedures. That will make for happier customers. And that's the way we want to keep all our customers – very happy with us.

Bank where it counts.

The ORR musicians will live with their counterparts in the Southington band. Both music groups will give a combined Friday night concert. Later in the spring the Southington band will return the visit by coming to Old Rochester.

Youth Symphony Sunday

The music lovers in the area will have an opportunity to enjoy the Greater Boston Youth Symphony Orchestra in a concert on Sunday, March 19th, at 3 P.M. at the Old Rochester Regional High School in Mattapoisett. The concert is sponsored by the Wareham Business and Professional Women's Club, for the benefit of the scholarship fund.

The concert will be conducted by Walter Eisenberg, a member of the Boston University faculty. There are 130 members of the group and they are of high school age. They will arrive at the school at 11 A.M., hold a rehearsal and no one will be allowed in the auditorium during the rehearsal.

Mrs. Virginia Anastasi and Mrs. Emma Houle are the co-chairmen of the committee. Leo Peduzzi, the director of music in the Wareham schools, is the program and stage manager.

Mrs. Helen Koening Gedimen, chairman of the sponsors and patron and patroness lists, has been assisted by Mrs. Elinor Griffin, president of the club. Mrs. Marilyn Desjardins is the chairman of posters; Mrs. Irene Cushman has made direction signs and maps for the occasion; Mrs. Dorothy Reynolds will assist Mrs. Houle on the

Is The System to Blame?

Editorial, D.C.J.

Recently, in a letter in our columns, the Town Meeting system was put to severe criticism because only 400 people exercised their duty to attend and vote on the school issues of the Special Town Meeting of February 17th.

As it now appears, those people, who did give up their time to attend and vote on the Old Hammondtown addition, are going to have that time wasted. Most people understand that Special Town Meetings are necessary to transact business that is time consuming and that would make the Annual Town Meeting too long to be endured.

Why then, with the coming Annual Town Meeting for Mattapoisett, loaded with vital costly projects that will require the most careful and lengthy consideration, are voters to have the dubious privilege of having a Special Town Meeting inserted in the middle of the Annual Town Meeting, especially since the Special Town Meeting will be the third consideration of the same proposition that was defeated a year ago and was rejected only 30 days ago.

There is nothing wrong with the Town Meeting system. It has survived in this town over 100 years. It is the only true democratic form of government. There is something wrong with maneuvers that cancel the vote of the citizens who attend town meeting. Apparently, the contemporary theory is that, if you ram something down the throat of the voter enough times, he will finally swallow it even if he chokes.

Or, perhaps the voter will stay home in disgust. In that case, democratic government is dead. The cynicism and disillusionment of the American citizen with government stems from the disregard of the vote of that citizen on the theory that he doesn't know what's good for him.

Sippican Seniors' Club

SIPPICAN SENIORS SEE SLIDES OF IRAN

The Sippican Seniors of Marion were entertained at their March first meeting by Miss Alice Phinney, now residing in West Wareham. Miss Phinney showed slides and related some of her experiences during two years spent teaching English in the Peace Corps in Iran.

At the business meeting that followed, it was announced that there are now 230 members of the Sippican Seniors.

Mrs. Mary Felton and Mrs. Leila Sherman were appointed to the membership

committee, to serve with Frank Carreiro, chairman. After acceptance of a change in the constitution and by-laws, allowing two members-at-large to serve on the executive board, the president, Delano Griffith appointed Mrs. Sarah Gibbs and Harold Frye as these members.

William Clough announced that a Hot Lunch on Wheels will be available soon and he requested volunteers for help in delivery.

Harold Frye reported that the bus trip to the Flower Show in Boston is being planned for March 20, and he requested that all interested contact him immediately.

A program of visiting shut-ins and those in nursing homes is being proposed and the president requested volunteers for this purpose.

Card tables are needed. Mrs. Harold Frye will accept trading stamp books and will redeem them for card tables.

Letters to the Editor

DO WE REALLY NEED AN ADDITION TO OLD HAMMONDTOWN SCHOOL?

1. How many students was Old Hammondtown School originally planned to accommodate? - 250 students.

2. How many students are currently attending O.H.S.? - As of February 29, 1972, there are 298 students.

3. How many classrooms are there at O.H.S.? - 10 academic classrooms plus library.

4. How many classes are now attending O.H.S.? - 11 classes; 4 Fourth Grades, 4 Fifth Grades, 3 Sixth Grades.

5. Where is the 11th class being held? - In the library; these children have no desks.

6. What happened to the library? - The books are stored in the Teacher's Room.

7. In September, 1972 how many classrooms will be needed? - 12 Classrooms. 4 Fourth Grades, 4 Fifth Grades, 4 Sixth Grades.

8. Where will this 12th classroom be located? - From 8:30 A.M. to 12:00 in the gym. From 12:00 to 2:40 these children will rotate, occupying the different rooms as they are vacated for gym class.

Are these inadequate conditions <u>really</u> what you want for our children? These conditions can only get worse as the town grows.

MONDTOWN SCHOOL?

1. Portable Classrooms - cost is $30,000 and would be only a stopgap measure.

2. Extended School Year - The 12 Month Study Group has found this plan to be (a) economically unsound; (b) a hardship on families with children attending O.R.R. (a regional school); (c) again only a stop-gap measure as an addition would still be needed in the near future and at a much higher cost.

3. Overlapping Sessions - a stop-gap measure that involves increased operational costs and is not a long-term solution.

4. Building 2 Classrooms - cannot be considered as 2 classrooms will be filled before completion.

5. Building 4 Classrooms and Gym - no State Aid on construction. Cost would be $489,690.00 plus interest. The gym would be a necessity in order to receive State Aid for Operational Costs.

5. 12-Room Addition and Gym - Old Hammondtown was built in 1965 with core facilities to accommodate a 12-room addition plus gym, to be built within 5 years. At this time, we will receive State Aid of 65% on BOTH principal and interest. Cost to the Town would be $330,750 plus interest, with State Aid.

Submitted by T.G.

LETTER TO THE EDITOR

The recent election indicates a new spirit of responsibility in Mattapoisett. The total vote cast, the challenge by the younger members of our town and the no nonsense attitude of the candidates are all points which are wholesome for home rule.

On reflection, I would think that an organization not associated with public edu-

cation but who did research the subject thoroughly might instruct school committee members as to their exact duties. We learned from Mr. Walter Apperson that assessors are now required to take some sort of instruction to meet state regulations. The school committee member should be somewhat responsible to the homeowner who in the final analysis has to foot the bill. Over and over I hear that we want the "best" education for our children. Is the "loose" school the direction in the interest of the best education? There is much to ponder and the erection of further elaborate buildings does not assure the best in education. The new spirit of responsibility should carry through our town meeting so that we may maintain a degree of equilibrium.

"Sonny" Hartley

Greenwood Hartley Jr., Marion Rd., Rochester

Relatives from as far away as New Hampshire and Boston gathered at Gaudette's Pavilion on February 26th for the event.

Both mothers of the guests of honor were present: Mrs. Hilda O'Neil of Stoneham; and Mrs. Apolina Rusinoski of Fairhaven.

Mr. and Mrs. Rusinoski give their thanks to all the guests who made the party a great success.

Little League Basketball

The Black Knights, defending champs of the Mattapoisett Little League, have repeated this year by defeating the Red Raiders in the first two games of a best of three playoff series.

The Red Raiders won the first half with a 5-0 record, while the Black Knights won the second half with an identical 5-0 record. A best of three playoff series followed with the Black Knights winning the first two games with scores of 30-16 and 11-9.

Black Knights Roster: Jim Hoff, Chuck

Sippican Woman's Club

SUCCESSFUL FASHION SHOW & BUFFET

The Sippican Woman's Club's fashion show and buffet lunch had a good turnout at St. Gabriel's parish hall last Friday. The donations therefrom will benefit the scholarship fund. Mrs. George Glaeser, president, welcomed the guests. Mrs. James Hartshorn was chairman of the fashion show and announced the models describing their attire. She also introduced Mrs. Helen Chagnon, proprietor of the Towne Shop, Ltd., who loaned the wardrobes to the models. Mrs. U. Grant Keener was chairman of the buffet.

The models were: Mrs. Louis Mendes, Jr., Mrs. James A. Arne, Mrs. John Hayward, Mrs. Richard Steigerwald, Mrs. Ronald Murphy, Mrs. Jack Hirshman and Mrs. Burnham Goddard.

Mrs. Frank Oxnard, third district Director of the State Federation, spoke on the Council on Crime and Prevention with regard to supporting their legislation.

Winter Sports Salute

SPORTS ASSEMBLY AND BUFFET

Old Rochester Regional High School will honor members of all varsity winter sports teams at a buffet and awards assembly to be held at the school on Saturday evening, March 25th. Senior members of the band and the cheerleading squad will also be honored during the night's proceedings.

A buffet will be served between 6:30 and 7:30 P.M. in the school cafeteria. There will be no special seating arrangements, and people may come in at their leisure during the aforementioned serving time. At 8 P.M. the awards assembly will take place in the school auditorium. Coaches will be present to discuss their seasons and make individual awards.

A limited number of tickets are available and may be purchased through any athlete, cheerleader or senior band member, or by contacting Leo Paradis, faculty manager at the school.

Youth Groups Aid Heart Fund

HEART FUND WORKERS PRAISED

Heart Fund volunteers in Mattapoisett were praised for their dedication during the February drive. In commending the nearly 100 volunteers, especially the youth of the community who contributed their services through the Leo Club and the Mattapoisett Youth Committee, Robert Lawrence, chairman, Heart Fund Drive for Mattapoisett, said, "These hard-working citizens have given evidence of their concern about diseases of the heart and blood vessels and of their determination to do everything in their power to reduce death and disability from these diseases."

Mr. Lawrence announced that the Heart Fund total in Mattapoisett is $1100.00, which at this point falls short of last year's drive.

While most of the community responded very generously to the Heart Fund volun-

Girl Scouts

SCOUTS HAVE CEREMONY

In observance of Girl Scout Thinking Day February 22, Troop 29, Mattapoisett, held a candlelight ceremony and Senior Scout Barbara Larcom presented First Year Scouts Colleen Kennedy, Susan Ouimet, Christine Hubbard, Michelle Moody, Lorraine Heuberger, Tina Ferron, Laurie MacDonald and Katy Lanagan with the World Association pin. A "Scouts Own" was held by Jane Crowley, Ann Marie Ferron, Paula Andrews, Lisa Bessette, Lori Contant, Kathy Dextraze, Lu-Ann Goodwin, Judy Ouimet, Sarah Pallatroni, Virginia Ruggles, Caroline Sanford, Deborah Soares and Janice Tavares. This was the last requirement to fulfill their Sign of the Arrow Badge. Mrs. Henry Ouimet and Mrs. William Hubbard presented this to them. Individual girls received My Home, Collector, Pets, Housekeeper, Water Fun, Pen Pal and Dancer.

This troop has just completed cyclist and toymaker badges. Also, they are working on the gypsy and art in the Round Badges.

Last week a new Scout from Ohio, Dagney Mason, was welcomed to the troop.

Rod & Gun Activities

The following events of the Sippican Rod & Gun Club are open to club members, guests and the public:

Sunday, March 19, 1 to 4 P.M., monthly Turkey Shoot. Competition is at 40 yards shooting at 11 x 14 inch targets. Most pellet holes in target wins. Lucky Shoots are also held (closest pellet hole to center of target). No ammunition is needed. Shotguns with a barrel length of over 30" are prohibited. The kitchen will be open.

Saturday, April 1, 1 P.M., Easter Egg Hunt. Bring your children and have them hunt for hidden eggs on the club grounds. A total of 100 eggs will be hidden and 99 eggs will be worth 10¢ each when turned in at the club house. One Gold Egg will be worth an Eisenhower Dollar. The kitchen

will be open. No firearms will be allowed on the club grounds at any time that day. There will be ample supervision.

Thursday, April 6, monthly meeting. Any sportsman interested in joining the Sippican Rod & Gun Club is invited. The club is located on Dexter Lane, Rochester.

PARENTS OF DAUGHTER

Mr. and Mrs. Bruce E. Rocha, 10 Wildwood Terrace, Mattapoisett, take pleasure in announcing the adoption of a daughter, Kerrin Marie, born December 20, 1971.

Maternal grandparents are Mr. and Mrs. Frank Nichols of West Yarmouth, paternal grandparents, Mr. and Mrs. Joseph Rochette of East Bridgewater, and great grandparents are Mr. and Mrs. Edward Grant of Somerville, Massachusetts.

Grange Activities

GRANGE TO MEET

Mattapoisett Grange will hold its bimonthly meeting Thursday night, March 16th with the worthy master Mark Breton presiding.

The Old Colony Past Masters Association will be guests and put on the program.

Members are asked to bring in articles for a Penny Sale and any donations for the Rummage Sale to be held Saturday, March 18th, from 9 A.M. to noon. This is the first project on the ways and means calendar. Drawing on the Easter Ham will take place at this meeting. Those having donation books are asked to bring them in.

Mrs. Ruby Barber will be chairman for the social hour.

THANK YOU

I deeply appreciate the strong support that you gave me in our recent election. Life has blessed me with many old friends and I esteem and value their support, and also a very special thanks to the young and newly registered voters of the town for their participation and their support.

The diligence, enthusiasm, and effort of my committee speaks for itself. May I prove worthy of your trust.

John Field

Neck Road, Mattapoisett

"The Last Supper"

ROCHESTER CHURCH DISAGREES WITH NATIONAL SURVEY

While surveys, national and regional, have claimed that church attendance was declining, the First Congregational Church at Rochester Center has found it to be just the opposite. One example was this past November when the attendance on Thanksgiving Sunday had grown in six years from approximately thirty-five persons to a record-breaking attendance of three hundred and fifty or more. The pastor, the Rev. Edward F. White, explains it as being "the Grace of God and the cooperation of all departments of church and church school".

Another example is the presenting of the "Passover" or "Last Supper" Wednesday March 29, and Thursday, March 30, at 7:30 P.M. This will be the fifth successive year and the interest and attendance has increased to where two nights are necessary to meet the demand. "Also," explained Pastor White, the creator of the idea, "having it two nights allows people to be loyal to their church on one of those nights and use the other night of Holy Week to attend this special event."

As one enters the church auditorium on those evenings, one is impressed with the reverent atmosphere created by music, lighting, and costumes. New personalities from the Bible are introduced each season. Last year a young garage mechanic, with natural beard, won high acclaim for his superb portrayal of John the Baptist.

The evening dramatization is presented in good taste with respect to the Jewish, Roman Catholic and Protestant point of view. Admission is free. However, there will be an offering. The public is invited.

FIREMEN'S AUXILIARY MEETING

The monthly meeting of the Mattapoisett Firemen's Auxiliary will be held in the Fire Station Hall at 7:30 P.M. on Wednesday, March 15th.

Planning Arrangements

MEMORIAL SOCIETY MEETING IN FAIRHAVEN

The vice-president of the Memorial Society of New England will be the guest speaker at the Unitarian Parish House, Green Street, Fairhaven, on Friday, March 17th, at 8:00 P.M. The meeting which will be open to the public, is co-sponsored by the First Unitarian Church of New Bedford and The Unitarian Society of Fairhaven. Commander R. F. Armknecht (U.S. Navy, retired) of Kittery, Maine, will discuss the history and the aims of The Memorial Society of New England.

The main purpose of the society is to make available to its members information concerning the advantages of pre-planning funeral arrangements before the family is in the emotional stress of the event. The result can be a service with simplicity, dignity and economy, with emphasis on the deeper meaning of the occasion. By stressing the enduring values of the life that has passed, an effort is made to bring inspiration and comfort to the surviving family and friends at a reasonable cost.

Ecumenical in nature, the membership represents a broad spectrum of religious faiths, professional interest groups and people from all walks of life. Religious leaders who have served on the board include: Bishop Lawrence and Dean Charles Buck, Jr. of the Episcopal faith; Rabbi Gittelsohn, prominent spokesman for Boston Jewry; and Father Murphy of Rescue, Inc.

The people of Greater New Bedford are cordially invited to attend this meeting. There will be no admission charge or donations accepted. A question and answer period will follow the Commander's talk.

Among local people assisting with the meeting are: George Silsby, Acushnet Road, Mattapoisett, in charge of general arrangements; Mrs. George Fisher, Ned's Point Road, Mattapoisett, in charge of refreshments; and Mrs. Richard Reis, Front Street, Marion, a member of the New Bedford church, in charge of publicity. The committee is composed of five members and the minister of each of the area Unitarian-Universalist churches.

Do plan to attend on Friday, March 17th, at 8:00 at the The Unitarian Memorial Church

Jr. High Student Affairs

There will be a Junior High Student Affairs Committee meeting on March 21st at 12:25 P.M. in the high school library.

The purpose of the meeting will be to: 1) review the results of the junior high questionnaire; 2) to see what impact these results will have on the area of consideration broached at our last Student Affairs meeting; 3) to begin in earnest the development of guidelines for the operation of Student Affairs at the new junior high school.

Any student in grades 7 or 8, any parent, any teacher, or any member of the school committee interested in involving himself in this discussion is urged to attend. Your contribution to our planning is appreciated and vitally needed.

Robert C. Gardner
Assistant Principal

Senator for a Day

STUDENT GOVERNMENT DAY

Old Rochester Regional High School senior Rickey A. Pursley has been chosen president of the Senate as a member of the delegate team named to the 25th annual Massachusetts Student Government Day April 7th. Son of Mr. and Mrs. Gene E. Pursley of Marion Road, Mattapoisett, Rick is a member of the National Honor Society at Old Rochester and a school leader. He will attend Stonehill College next fall as a social science major.

As members of the State Legislature, Pursley and his colleagues are being asked to consider six petitions on such wide ranging concerns as pollution control, uses for the gasoline tax, drug abuse, equality of educational opportunity, student representation on school boards, and recycling and conservation.

8th Community Show

The annual YWCA Community Show will be held April 8 and 9 from 1 to 9 P.M. to benefit the YWCA program. The two-day program features exhibits, demonstrations and entertainment for all ages.

Spaces are now available for commercial, community and hobby displays. People interested in acquiring space for exhibiting should contact the YWCA to discuss details of participation. International items will also be shown and persons owning items and products from foreign countries are cordially invited to inquire about making arrangements for displaying these imports which will be given space in the North Hall on the second floor.

Children's features, including games and entertainment, are planned for a separate area, and food service will be provided the entire time. Entertainment will be occurring periodically in the gymnasium where there will also be drawings for door prizes.

Every effort is being made to make this 8th Community Show an appealing family event with varied and unusual attractions.

Don Ellis - Jazz

JAZZ CLUB TO SPONSOR CONCERT

Big band jazz is alive and well, and can be found at Old Rochester Regional High School. To round out their concert series by giants in the world of jazz, the Old Rochester Jazz Club will be sponsoring a concert by Don Ellis and his 21-piece orchestra. The concert will be held in the Bristol Auditorium at Old Rochester Regional High School on April 19th beginning at 8:30.

Don Ellis first gained recognition when he was chosen winner by the International Jazz Critics Poll in 1962 as the best "New Star, Trumpet", and ever since has been at the top of every major jazz poll. He has had his albums nominated for the coveted Grammy Award in 1967, 1968, 1969 and again in 1970 for his album "Don Ellis at Fillmore". His latest cricital acclaim comes for having written the musical score for "French Connection".

Tickets may be obtained at the Symphony Shop, Route 6, Mattapoisett, Music Box, Acushnet Avenue, New Bedford, House of Drums, Purchase Street, New Bedford, or by contacting Norm Fuller, 30 Buttonwood Street, New Bedford. Student tickets are limited and may be obtained by contacting music directors at all area high schools.

NAMED ADMISSIONS REPRESENTATIVE

Mrs. J. Alan Whitney, 35 Holly Road, Marion, has recently accepted the appointment as alumnae admissions representative of the Stoneleigh-Burnham School of Greenfield, Robert L. Merriam, Headmaster, announced.

Mrs. Whitney, treasurer of the League of Women Voters, Marion area, is an alumna of the Mary A. Burnham School and the University of Colorado.

As a Stoneleigh-Burnham volunteer serving the admission office, who will be calling on guidance counselors in the Marion area, and will welcome questions from interested parents and students about Stoneleigh-Burnham, an independent boarding school for girls in the 9th through 12th grades.

Mrs. Whitney has current information about the expanding academic and extra-curricular programs of Stoneleigh-Burnham School.

DELEGATES TO DAR CONFERENCE

Delegates to the Spring Conference of the Daughters of the American Revolution to be held at the Sheraton Plaza are: Mrs. C. Joseph Nowak, Regent; Mrs. Elbridge Shaw, Chaplain. Alternates are: Mrs. Geneva Watts, Vice Regent; Mrs. Manoah Daffinee, Advisory Board; Miss Emma Mayhew, Registrar; and Mrs. Martha Groves.

Y.W.C.A. Events

International Luncheon on Wednesday, March 29th, sponsored by the World Fellowship Committee as a fund-raising project, will be served in the YWCA gymnasium at 12 Noon. The public is invited and tickets are available at the main desk of the YWCA. This program will replace the usual Wednesday luncheon program.

After lunch the speaker will be Miss Jean Campbell, executive director, who recently went with the Inter-Church Council group visiting Israel under the leadership of Rev. Norman G. Helm and Rev. Phillip C. Douglas. "Israel: A Blend of the Ancient and the New" will be illustrated with slides taken by Miss Campbell.

Mrs. Genevieve Modestor, Director Home Service Department, New Bedford Gas and Edison Light Company, will be speaker for the Wives and Mothers Society Wednesday, March 22nd, at 8 P.M. Her subject will be "Swedish Cookery".

Attorney James M. Quinn, assistant district attorney for Bristol County, will discuss what happens legally when a person is arrested, and develops his remarks from questions that are asked by those attending the Weekly Luncheon program on Wednesday, March 22nd, at the New Bedford YWCA. Mr. Quinn will speak at 12:15 P.M. following the informal luncheon available from 11:45 A.M. The public is invited and neither YWCA membership nor previous reservations are required.

A motion picture film will be shown by Robert L. Pelletier to illustrate his travelogue, "Ireland", to be presented to the Travel Club Friday, March 17th, at 8 P.M. Mr. and Mrs. Pelletier visited Ireland twice in 1971 and found it so exciting that they plan to return again soon.

A nominal fee is charged non-members of the Travel Club who are cordially invited to attend. Refreshments will be served.

A regular business meeting is scheduled at 7:30 P.M. for members.
